KADKOMP SYSTEMS PVT. LTD.
NOTES TO ACCOUNTS FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 13TH FEBRUARY 2025

1. BASIS OF PREPARATION :

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under the Companies (Accounting Standards) Rules, 2014, (as amended) and the relevant provisions of the Companies Act, 2013. The financial statements have been prepared on an accrual basis and under the historical cost convention.

1.1 SIGNIFICANT ACCOUNTING POLICIES FOLLOWED :

1.1.1 Fixed Assets:

Fixed assets are stated at cost less accumulated depreciation. Cost of acquisition or construction is inclusive of freight, duties, taxes, incidental expenses & capitalization of pre-operative expenses if any.

1.1.2 Depreciation:

- (i) Depreciation on Tangible Assets is charged on a written down value method basis in accordance with schedule III of the Companies Act, 2013 on single shift basis.
- (ii) Computer Software are amortized over period of 10 years.

1.1.3 Provision for Taxation & Deferred Tax:

- (i) Provision for current income tax is made on the assessable income at the tax rate applicable to the relevant assessment year.
- (ii) Deferred income taxes are recognized for the future tax consequences attributable to timing differences between the financial statement determination of income and their recognition for the tax purpose. The effect on deferred tax assets and liabilities of a change in tax rates is recognized as income using the tax rates and tax laws that have enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized.
- (iii) MAT Credit is recognized as an asset only when & to the extent there is convincing evidence that the Company will pay normal income tax during the specified year. In the year in which the Minimum Alternative Tax (MAT) credit becomes eligible to be recognised as an asset in accordance with the recommendations contained in the Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of credit to the Profit & Loss account & shown as MAT credit entitlement. The Company reviews the same at each balance Sheet date & drags down the carrying amount of MAT Credit entitlement to the extent there is no longer convincing evidence to the effect that the company will pay normal income tax during the specified period.

1.1.4 Valuation of Inventories:

- (i) Closing stock of traded Items is value at cost or Market Price which ever is lower.
- (ii) Closing stock of Project Work in Progress is valued at cost.

1.1.5 Employee Retirement Benefits:

- (i) The company has provided for liability of gratuity based on last drawn salary in respect of those employees who have completed 5 years of service.
- (ii) In respect of employees which are covered under Provident fund scheme appropriate percentage of their basic salary is deducted & paid along with company's contribution of an equal amount to the appropriate authority.
- (iii) The Company follows policy of non accumulating compensated absences .Hence question of providing liability in respect of leave encashment does not arise.

1.1.6 Investments:

Investments are stated at cost of acquisition less any provision for diminution in value.

1.1.7 Foreign Currency Transaction:

Foreign Currency Transactions are accounted at exchange rates prevailing on the date of transactions. Closing balance of monetary items are translated at closing rates.

1.1.8 Interest on Borrowings:

The interest on working capital management is charged against the profits for the year in which it is incurred. Interest on borrowing for capital asset is capitalized till the date of commencement of commercial use of the asset.

1.1.9 Revenue recognition:

- (i) Sale : The sale of software products, subscription products & hardware are accounted for net of Sales Tax, discount & service tax.
- (ii) Services : Revenue from services are accounted as & when contractual obligation to provide for services or phased services are completed. The same is accounted net of service tax.

1.1.10 Provision:

Provision is recognized when there is a present obligation as a result of past event & it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

1.1.11 Use of Estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and the expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which the results are known / materialized.

1.1.12 Impairment of Assets:

The carrying amount of assets are reviewed at each Balance Sheet date if there is any indication of impairment based on internal / external factors. An asset is impaired when the carrying amount of the asset exceeds the recoverable amount. An impairment loss is charged to the Profit & Loss account in the year in which an asset is identified as impaired. An impairment loss recognized in prior accounting periods is reversed if there has been change in the estimate of the recoverable amount.

Particulars		
Director Remuneration- Mr. Ravindra Kulkarni	-	-
Director Remuneration - Mr. Vinod Kulkarni	-	-
30 The financial statements are prepared based on the assumption that the Company is not a going concern due to the following reasons-		
a) The secured loans as per note 5 has been declared a Non Performing Asset by the banks		
b) Considering the high indebtedness and inability to settle the liabilities outstanding in the financial statements, as well as considering the unavailability of business contracts , the shareholders and the management of the Company has decided to close the business.		
c) The Company has also written off the Intellect Property which was earlier capitalised as the concept of the IP failed and there is no future viability of the property.		
d) The Management has also filed and application for dissolution to NCLT in the month of October 2021.		
The above scenerios indicate that a material uncertainty exists that casts a significant doubt on the Company's ability as a going concern.		
31 Previous years figures have been regrouped and rearranged wherever necessary.
